

RESCUE DOG WINES

ROSÉ

Estate Grown Grenache

Our latest Rosé is made from our Estate Grown Grenache grapes from our Lodi Rules Certified Green vineyard in Acampo, California. This spectacular wine is of a limited quantity. Vegan friendly.

Vintage	2023
Sourced from	California
Alcohol	14%
pH	3.2
Titrateable acidity	5.1
Aromas	Wild strawberries, stone fruit
Tasting notes	Grapefruit, strawberry, delicate stone fruit, well-balanced acidity
Color	Light salmon
Mouthfeel	Round, bright acidity
Winemaker notes	The grapes were picked from the vineyard when the fruit showed good development, flavors of grapefruit and stone fruit, and nice acid. The grapes were crushed into a stainless-steel tank and fermented at moderate temperatures to maintain the bright fruit flavors. The fermenting dropped around 1–2 Brix per day. After the primary fermentation was complete, the wine was racked out of the fermentation lees. We maintained this wine until it was ready for filtration and bottling.
